

CAPITAL REGION National Day of Prayer

Partners of the Capital Region National Day of Prayer (CRNDP),

Prayer – For Such A Time As This! The theme of 2010 CRNDP is prophetic for this season. Thank you for standing with the Capital Region observance. We need to remain unified and pray unceasingly for President Obama and his family. It is believed that the CRNDP, 25 years ago, came into the kingdom for such a time as this.

The CRNDP ongoing prayer movement exists to encourage and mobilize God's people to pray for the needs of our nation, its leaders and our fellow citizens. We envision an outpouring of God's Spirit on the West Capitol that will vibrate throughout the nation and world. Every freedom is being challenged. We cherish the privilege of public prayer. President Obama and Congress need to see a committed church standing together.

During this season of economic downturn, we are among the volunteer ministries feeling the pinch. If everyone receiving this communication would share as God has blessed you; with defraying expenses as itemized on the attached budget, we would be very grateful. In previous years, your contribution was significant in the success of the Capital Region observance. 2010, we need your help in a degree surpassing previous years. Due to the urgency of our need and the shortness of time; I will follow up this communication with a telephone call.

You are very much appreciated for all you do for the Kingdom of God. Thank you for partnering with us by your presence, encouraging the attendance of your congregation and your financial gift.

May God's richest blessings remain upon you and the ministry you steward.

Sincerely,

C.R. Boone

Dr. Corinthia R. Boone, Chairperson
